

The diagram illustrates the assembly process for Nilfisk C 100 series pressure washers. It shows the following components and steps:

- Motor Unit:** The main body of the pressure washer, shown in various configurations for different models (C 120, C 125, C 100, C 105, C 110, C 100 Basic, C 110 X-TRA, C 120 X-TRA, C 125 X-TRA).
- Trigger Gun and Spray Lance:** The spray lance is inserted into the trigger gun, which is then attached to the motor unit.
- Wheels:** The wheels are attached to the bottom of the motor unit.
- Accessories:** Various accessories are shown, including a spray lance, a trigger gun, a spray lance holder, and a spray lance cap.
- Assembly Steps:** The diagram shows the sequence of assembly steps, from the motor unit to the trigger gun and spray lance, and finally the wheels.
- QR Code and Website:** A QR code and the website www.get-started.nilfisk.com are provided for additional information.
