

**Q SMARTWATCH**

# QUICK-START GUIDE

To get started, put your Fossil Q on the magnetic charger to power it. Download the latest version of the Android Wear™ App onto your smartphone, then open the app, enable Bluetooth and follow the steps on your smartwatch.

## NAVIGATION

- SWIPE DOWN:** Quick Settings
- SWIPE LEFT OR RIGHT:** Watch Faces
- SWIPE UP:** Notifications

## INTERACTIVE DIALS

Tap once on each sub-dial individually to see information at a glance. Double tap the sub-dials to change.

## NOTIFICATIONS

- Tap on a notification to expand it.
- View multiple notifications by swiping up and down.
- To dismiss a notification, swipe right.
- Tap “Reply” on the notification and respond using your preferred keyboard.

## HOME BUTTON

- Press for features and settings menu.
- Press and hold to access Google Assistant™\*.
- ← Use it to go back to main watch dial.

## CHARGING

Place smartwatch on the magnetic charger. The battery will last up to 24 hours, based on usage.

## ACTIVITY

Press the button, scroll through the app launcher, and tap the Google Fit™ icon.

## APPS

Download third-party apps like Uber or Spotify through your watch.

## GOOGLE PLAY

The all-in-one app store for your watch—Android users can directly download content without a Wi-Fi connection. iOS users will need to be connected to Wi-Fi.

## CHANGING STRAPS

Flip the watch over and release the pin on the strap. Place the new strap in one link at a time. Lock the pin strap by securing it to the right.

To remove links on a bracelet, please visit your nearest Fossil store.

## CUSTOM WATCH FACES

On main dial screen, swipe right or left to browse options and simply tap to update. Once you've chosen a dial, tap and hold to change the color.

Download new watch faces from the Google Play™ store to your smartwatch.

## STAYING CONNECTED

Having trouble keeping your smartwatch connected? Here are a few steps you can take:

- Make sure the Android Wear™ App is running in the background.
- Try turning Bluetooth on and off.
- Keep your smartphone and smartwatch updated with the latest firmware. On your watch, go to System, then About and click on System Updates to see if it's the most recent.

\*Google Assistant™ is not available in all languages.
